

To Whom It May Concern,

I am writing this letter to provide a reference for Danny (Vu Do-Dzung) , who has worked with us at Stay22 for 5 months.

When it comes to work ethic and dedication, Danny stands out. He consistently showed up and put in the effort required to meet their responsibilities. His reliability and task commitment were strong points during his time with us.

Technically, Danny performed adequately, meeting the expectations of the role. While he may have yet to lead innovative projects, he was competent in handling the tasks assigned to him.

As for teamwork and leadership, Danny could work in a team setting and was receptive to guidance and mentorship. He contributed to a positive work environment and got along well with their colleagues.

In summary, Danny is a dedicated individual with a solid work ethic. While there is room for growth in technical skills and leadership, he has shown a commitment to his responsibilities and is a reliable team member.

Should you require any additional information, please feel free to contact me.

Sincerely,
Andrew Lockheed
